

ENTER THE WiFi ZONE!

You can now enjoy the outdoor urban landscape of Downtown Denver while you work or surf the web on the 16th Street Mall and Skyline Park.

HOW TO CONNECT TO THE WiFi ZONE:

STEP 1

Turn on any notebook, Tablet PC that is WiFi-enabled.

STEP 2

Set your device to receive the WiFi signal by scanning for or manually setting your device SSID (network identifier) to "DowntownDenverWiFi".

STEP 3

Get Online! Launch your web browser to start surfing!
